Secondary phone number: _____
Please circle: cell home work

No Show Policy

We value each of you as individuals and welcome the responsibility and privilege for supporting you as your health care professionals. Our goal is to treat each patient in a timely and efficient manner. With that as our focus we want to remind you of our clinic (in-person & virtual) policy concerning "no-show" appointments.

Failure to appear for your appointment without previously contacting the clinic will result in you being billed $20.00 for any chiropractic and physiotherapy scheduled appointments and 100% of the fee for any massage therapy appointments. We do have voicemail and email that we check regularly that a message may be left at.

Cancellation Policy

Your appointment time is reserved just for you. A late cancellation or missed visit leaves a hole in the practitioner's day that could have been filled by another patient. As such, we require 24 hours notice for any cancellations or changes to your appointment. Patients who provide less than 24 hours notice, or miss their appointment, will be charged a cancellation fee of $20.00 for any chiropractic and physiotherapy appointments and 100% of the fee for any massage therapy appointments. Exception to this policy would include suddenly feeling unwell, developing a fever or any emergent event directly affecting the patient and or a family member. Please call the clinic and explain your situation to our staff if you have been unable to make your appointment due to unavoidable circumstances.

I am aware of and agree to the No Show Policy and Cancellation Policy.

BRUCE COUNTY CHIROPRACTIC & REHABILITATION CENTER

Consent to GBIN Online Medical Imaging Portal

If required I give my practitioner permission to access any medical imaging related to my treatment on GBIN Online Medical Imaging Portal

_____ _____

Signature (Parent/Guardian if under 18 years of age) Date

Consent to video or photograph(s)

As part of your assessment your practitioner may wish to take video or photograph(s). This source of media can assist your practitioner in further analyzing such things as posture, gait, exercise form or joint angles. If your practitioner feels that either of these sources of media would be beneficial to your assessment/treatment they will ask verbal permission from yourself during the session. Video and photo's are uploaded into your formal chart and removed from any other devices.

I am aware and agree to the video and photo consent
